FOR IMMEDIATE RELEASE

November 17, 2008

LOCAL RENOVATOR SELECTED FOR "GEORGIE" AWARD

MPB Construction Ltd. has been selected as one of three "Georgie" award finalists by the Canadian Home Builders Association of BC (CHBA BC) for the Best Kitchen renovation of 2008.

The "Georgie" award is a prestigious industry award given by the CHBA BC each year in recognition of outstanding projects completed by new home builders and renovators throughout the province.

The CHBA BC stated in their press release that this year's competition proved to be one of the best ever with over 500 entries from across British Columbia. Tim Kasten, CHBA BC President said "each year we think we have reached the pinnacle of exceptional entries and yet our members amaze us again with their creativity and professionalism."

MPB's "Lampman" kitchen renovation project included design work by MPB's in-house staff, custom cabinets built and finished in MPB's South Surrey facility and on-site structural and finishing work by their 15 full time employees and trusted sub contractors.

MPB President Paul Clarke noted that while MPB has collaborated with many customers on other major design/build projects, MPB has never entered the annual CHBA BC competition.

He stated that it is great to be a finalist on their first ever entry and for his great team to receive the recognition for their creative design work and professional project management.

The "Georgie" awards will be given at the CHBA BC awards gala evening on January 30, 2009.

MPB is a full service renovator located in the Village Centre Mall at 24th Ave and King George Highway where it has a custom cabinet shop, paint facilities and a selection showroom.

MPB is proud to be an integral part of the White Rock/South Surrey community and has served over 1500 customers since 1989.

MPB is also pleased to be a long standing member of the White Rock/ South Surrey Chamber of Commerce. MPB was a finalist for the Chamber's Business Excellence Awards in 2005 and 2006.
